Product Information Sheet

Scotch™ Flex & Seal Shipping Roll

General Description

Scotch™ Flex & Seal Shipping Roll is a simple packing solution that eliminates unneeded steps, supplies, and space. The unique three-layer construction provides a durable outer layer that is water and tear resistant, cushioning middle layer, and inner grey layer that sticks securely to itself not your item.

Frequently Asked Questions:

What items can I ship in Flex & Seal? *Recommended for small, non-fragile items such as books, clothing, accessories, home goods, non-breakable electronics*

Will it stay sealed? *Yes, press firmly for a guaranteed seal.*

- *Fold around your item and press the gray to gray to form the package*
- *Make sure you're pressing grey surface to grey surface - do not wrap it like a present!*
- *Works best with at least a 2,5 cm border. It creates a snug fit around your item to reduce movement during shipping*

Will it stick to the item being shipped? *No, Flex & Seal proprietary adhesive technology (gray surface) sticks to itself but not your item.*

What is the best way to open an item packed in Flex and Seal? *To open, peel edges open by hand OR cut a corner along the edge with scissors, careful not to cut the item*

How many items can I ship with one roll of Flex & Seal? *Flex & Seal is a versatile shipping solution that can pack up to 50 items per roll. Minimum package size of 7.5cm x 15cm. Results vary with the size of your item and are based on a 38cm x 3m roll.*

Will package delivery services like USPS, UPS and FedEx accept items packaged in Scotch™ Flex & Seal Shipping Roll? *Yes, packages made with Flex & Seal are accepted by the major shipping carriers.*

What is it made from? *This product is made up of 3 layers (all-in-one):*

Layer 1: Durable outer film is writeable, water and tear resistant

Layer 2: Built in cushion layer protects your items

Layer 3: Proprietary adhesive technology sticks securely to itself and not your item

Where is Flex & Seal manufactured? *Scotch™ Flex & Seal Shipping Roll is made in the U.S.A. with globally sourced materials*

Shelf life

The minimum shelf life of Scotch® Flex & Seal Shipping Roll sold by 3M Office Supplies Division is two years from the date of manufacture.

To guarantee Shelf life, it is recommended that all Scotch® Flex & Seal Shipping be stored at optimum conditions (40%-60% relative humidity and 15°C-26°C) when warehoused or on retail shelves.

Information for Circular Economy
