ULTIMATE PET CARE PERFORMANCE

Enhanced Suction Power: With 120AW suction and a powerful 500W brushless motor, the Zenkaisu EVO 4 Petcare tackles pet hair and dirt effortlessly, ensuring a thorough clean every time.

Specialized Petcare Mode: Designed specifically for homes with pets, the dedicated pet care mode optimizes performance to effectively remove pet hair and allergens from all surfaces.

Comprehensive Filtration: The combination of HEPA and stainless steel filters captures even the finest pet dander and dust particles, improving indoor air quality.

Versatile Cleaning Tools: Equipped with an array of accessories, including a self-standing electric brush and long flat crevice nozzle, it's perfect for cleaning pet hair from hard-to-reach areas.

Extended Runtime: 3900mAh battery capacity provides up to 80 minutes of cleaning, ideal for homes with pets.
